# One-to-One Personalised Online Tuition

In this rapidly changing world, there has never been more important for students to accelerate their learning. Due to the measures we're all taking to minimise the impact of the coronavirus, many students are looking for new ways to learn from home. We offer a range of personalised one-to-one live online courses for students to make sure they continue to reach their academic goals.

So, whether you are looking to maximise your progression in English, continue to study your school subjects, or prepare for exams, we have a bespoke online course just for you.

## English Language

Whether you are a complete beginner or advanced learner, we have options including general English, academic revision, English for school, business English, study skills, English for work, and exam preparation.

**AGE** All ages

**ENGLISH LEVEL** Beginner to Advanced

## Subject Revision

Want to keep up with your school subjects and ace your exams? Our subject tutors can help you get ahead in your school subjects, and achieve your academic goals. All subjects available upon request.

**AGE** 10 -18

**ENGLISH LEVEL** Intermediate to native speakers

## How to book

- Contact our expert Course Consultants
- Receive a course recommendation based on your preferred schedule, language level, preferred type of teacher, preferred style of learning and study goals
- Once you are happy with your teacher recommendation, you can secure your place and you'll receive all the information you need to get online
- Get online and you're ready to start! Our academic team will be on hand to make sure your course runs smoothly from start to finish

## Course Requirements

- Laptop with webcam and audio capabilities or smartphone
- Reliable internet connection

## Course Fees

COURSE UNITS PER WEEK	TUITION HOURS	COURSE FEES
1	5 x 1 hour sessions	£350
2	10 x 1 hour sessions	£700
