Job purpose

The University Partnerships Admission team is responsible for the admissions of all pathways programmes delivered at our partner Universities.

The post holder will be a member of the admissions team with responsibility for the admissions of students to partner universities, ensuring speedy and accurate offer and document processing and high standards of data quality at all times. You will be expected to be flexible and work across the Pathways Admissions Department during peak time, supporting the application process as deemed appropriate.

The role requires strong administrative and excellent interpersonal skills.

Main duties and responsibilities

1. Recording and processing all applications from international and EU students for pathway programmes, working to agreed service levels.
2. Ensuring compliance with University admissions entry policies and procedures and UKVI regulations.
3. Ensure data entry is accurate and error rates are low
4. Work to the professional standards, boundaries, guidelines and general responsibilities articulated in the UKCISA/AISA Code of Ethics for those advising international students, as well as under the OISC guidelines and any OIEG or University policies and procedures.
5. Handle telephone and email enquiries from prospective students, their parents, agents, advisers and College staff in order to discuss and advise on the admissions and enrolments process
6. Liaise with partner universities and the Global Recruitment Unit as necessary to ensure achievement of enrolment targets
7. To develop and maintain an up to date knowledge base on the equivalence of a wide range of international and European qualifications (including both academic and English language) and their suitability in preparing applicants for their proposed study at the Embedded College. Consequently to work with University admissions staff and College Directors on assessment of the suitability of the qualifications of individual applicants in relation to the level of study applied for.
8. Assist in any ad-hoc duties, projects and activities as and when required
