IN PARTNERSHIP WITH OXFORD INTERNATIONAL

Working in partnership with Oxford International, we offer students the opportunity to join the University of Kent community through our international college, located on campus. Whilst studying at the University of Kent International College, you can enjoy all the benefits of university life, whilst receiving tailored English language and academic support to successfully progress onto your chosen degree.

Founded in 1991, Oxford International is an accredited private education provider which supports students in accessing university study through direct application and pathway programmes in the UK, US, Australia, and online. We also have vocational centres and English language schools in the UK, US and Canada. At Oxford International we believe in learning without limits, creating life-changing experiences for students worldwide.

Benefits of our International College include:

- One visa for the entire programme duration*
- Full university student status from day one, with access to university facilities and services
- Small classes with experienced teaching staff
- Opportunity to live on campus in the heart of the university
- Direct continuation to your chosen University of Kent degree course following successful completion of your programme
- Participation in all Student Union's societies and clubs.

*Applicable to IYZ and IIM pathways

YOUR PATHWAY TO KENT

University of Kent International College (UK IC) is a specialist embedded pathway college, where international students can begin their studies at University of Kent in partnership with Oxford International Education Group.

Choose your level of study

At University of Kent International College (UK IC) we offer two undergraduate and a postgraduate pathway option:

- International Foundation Programme (IFP)
- International Year Zero (IYZ)
- International Incorporated Masters (IIM)

Continue onto your chosen degree

Following successful completion of your pathway at UK IC, you will continue your studies directly with University of Kent. The university has a wide range of fantastic and highly regarded degree courses in subjects ranging from Business Management and Finance to Psychology.

Being a UK IC student has been a new experience for me. I didn't know what to expect when I arrived but with the help of my tutors, they made settling in very easy for me. I'm so glad to be studying here.

We care about you

You're not just a number to us. From the moment you step onto campus, we work hard to make sure that your university experience is happy and fulfilling.

To support you with all areas of your life here, we have dedicated academic, wellbeing and careers teams, all with experienced and friendly professionals that you can turn to.

We also offer financial advice and support to help you live independently without worrying about money. We understand the challenges that come with a rise in the cost of living and have put many initiatives into action to take care of our students.

To find all of these services as a Kent student or to ask a question, you can use our on-campus help point or online self-service area, Nexus.

We prepare you for the future

Whatever your ambitions are, they're never too bold for Kent; we've helped our students achieve some amazing things. By building real-world experience into your degree, with facilities that mirror those you'll encounter in industry, we prepare you to hit the ground running so you'll have a serious advantage when you graduate.

Our Careers and Employability Service also help you with your future plans, from CV guidance to connecting you with employers at over 600 careers events every year.

We're world-leading for research

Our reputation for world-leading research was confirmed by our outstanding results in the Research Excellence Framework 2021. For you, this means you'll learn from leading thinkers whose work informs their teaching. It also means that you'll be joining a community that pushes boundaries, that is ambitious, innovative and intent on making a positive difference to people's lives.

We're making a positive impact

We're committed to making the world a better, more sustainable and equitable place. That's why we're responding to the United Nations' urgent call for action by embedding their Sustainable Development Goals (SDGs) into everything we do.

Our future-proof framework gets staff and students involved in the SDGs and inspires them to take action to ensure that we deliver a university of the future.

CANTERBURY CAMPUS

Beautiful, unique, peaceful, green. That's how our students describe our Canterbury campus, and they're right. Built on 300 acres of parkland, with views over the historic city of Canterbury, it's an idyllic place to study.

At the heart of campus are cafés, restaurants and bars, as well as student accommodation, a four-storey library, nightclub, sports centre, theatre and cinema. Getting around is easy too; you can walk across campus in 15 minutes.

Campus Tour

Best non-alcoholic night out

The Gulbenkian to watch a film and then dinner at Woody's bar in Park Wood.

Best place to get food

Hut 8 in Turing College. The food is really affordable and tasty. Homemade pizzas, delicious desserts and there are table tennis and air hockey tables!

Quietest place to study

Other than the library, I like studying in Darwin computer room. It's hidden away and peaceful. You'll quickly find your own study spot gems.

Best view

Outside the library, looking straight over Canterbury and the cathedral. There are always loads of people on the green enjoying the view in summertime.

THE CITY

Canterbury is a fascinating place to live. Historic with medieval alleyways, cobbled streets and a world-famous cathedral. Contemporary with cafés, pubs, rooftop bars, independent shops, restaurants, a theatre and cinema. All a 25-minute walk from campus.

HOME SWEET HOME

EXPLORE OUR
ACCOMMODATION

Our accommodation comes with a key to a safe and affordable place to live and a door to a community of new people. You may think there's no place like home, but there is here.

You'll find some of your best friends in your university accommodation and you'll have some of your best times too. Whether it's cooking up a feast in your house in Park Wood, our student village; watching a film in your room with friends in Tyler Court; conjuring up some drinking games together in your shared kitchen in Turing.

Benefits

- **Everything's on your doorstep**

You can walk everywhere on our campuses from whichever room you choose; helpful for those 9am lectures

- **All bills are included (including Wi-Fi) and fixed for 2024/25**

That means no hidden costs, so budgeting's easier! We have prices and facilities to suit all tastes and budgets, with many rooms priced below the national average and you don't need to pay a deposit to secure your room

- **Security and wellbeing support**

From 24/7 security and Residential Life Assistants, to our medical centres and college communities

- **Free sports membership**

All rooms include a sports membership for residents at either Canterbury or Medway

- **Guaranteed room offer**

Make us your Firm choice on UCAS and apply before our 30th June deadline to receive a guaranteed room offer

- **Live on campus after your first year**

We set aside a number of rooms at both Canterbury and Medway for returning students.

Wherever you choose to live, you'll soon feel at home at Kent.

Canterbury

Self-catered

Darwin College, Tyler Court, Woolf College; Park Wood, Keynes and Turing Flats and Houses

All our self-catered accommodation is a stone's throw from the cafés, restaurants, shops and bars on campus. We have ensuite and shared facilities.

Rooms with a meal plan

Eliot College, Keynes College, Becket Court

Our Bed and Flex meal plan includes a food allowance of £12 per day that can be used at a range of outlets on campus. Choose from Eliot College with shared bathroom facilities or from Becket Court or Keynes College with ensuite rooms. All our Bed and Flex rooms include a kitchenette and are very close to our campus shops and the central plaza.

OUR SPACES

We've invested in superb facilities to give you the university experience you deserve. First-class academic facilities add another dimension to your studies and give you a taste of career options; our sports and arts venues give you the chance to stay fit, enjoy innovative performances and catch the latest movies. Here are some of our unique spaces.

1 The Hack Space

A superb makerspace, equipped with 3D printers and a laser cutter where students from the Computing, Engineering and Mathematical Sciences Division and members of TinkerSoc, the Tinkering Society, can build things for their course or their own interests.

2 Templeman Library

At the heart of the Canterbury campus, the Templeman has spaces for silent, individual and group study, expert staff and fantastic digital resources.

3 Biomechanics Laboratory

Students in the School of Sport and Exercise Sciences use the latest technology to help them analyse and understand the mechanics of human movement.

4 The Docking Station

Brand new for 2025! State-of-the-art digital production studios housed in a beautiful period building provide a unique space where students can develop creative, digital and technical skills, ready for a career in the creative industries.

5

7

5 Crime Scene House

Ranked 1st in The Guardian University Guide 2024, our Forensic Science course gives students 'real-world' experience in our crime scene house and garden.

6 Wigoder Law Building

Ranked in the top 25 in The Times Good University Guide 2024, Law at Kent helps students to develop practical legal skills in our replica court and our Law Clinic.

7 EEG Laboratory

Psychology students have access to eye-tracking labs, EEG labs and child development labs, where they develop practical skills and learn how to test their theories.

8 Colyer-Fergusson Music Building

Purpose-built with outstanding acoustics, Colyer-Fergusson is the perfect place for our student orchestra, big band, chorus and chamber choir to perform. It's next to the Gulbenkian Arts Centre, which houses a cinema, theatre and café and offers special rates for students.

9 Bloomberg Finance Lab

A dedicated virtual trading floor, the Bloomberg Finance Lab gives students access to real-time data from the financial markets and an insight into what it would be like to work in that fast-paced environment.

10 Kent Sport outstanding facilities

First things first, if you live on campus, Kent Sport membership is free. Here's what you get. Rain won't stop play at Kent – our indoor tennis courts see to that! We've also upgraded our indoor basketball court and have space for badminton, volleyball, netball and cricket, as well as a room for martial arts. Plus high-quality gym and fitness suites with qualified instructors. Outdoors we have 3GX, 3G, astro and grass pitches.

10

11 Bioscience Labs

Biosciences students gain real-world experience in our teaching labs. We provide world-class facilities where students can gain the practical skills that are in demand in industry, giving them the opportunity to discover which areas of their subject interest them most.

HERE FOR YOU

Build your support network

Supporting mental health, wellbeing and disability needs is at the heart of what we do. Getting to know your campus and the people in it can help you to create your own network of friends and comfortable spaces.

There are lots of opportunities to meet people; we run a Wellbeing Café, weekly mindfulness sessions and you can sign up for 'just coffee' and 'walking buddy' to pair up with someone new for a study break

and companionship. We also run support groups and wellbeing events throughout the year, as well as online support where students can chat to other students.

Professional support

Our professional practitioners work with students individually to understand their requirements, and to develop strategies including Inclusive Learning Plans (ILPs), which make the support students need clear to their academic division.

YOUR FUTURE

You're taking the first step to wherever you want to go. Come to Kent and you'll receive the support you need to get there. One piece of advice we give to all our students is to make the most of all the opportunities on offer.

The combination of a good degree and relevant work experience can give you the edge when applying for jobs when you graduate. Alongside your degree and the academic support you receive, there are lots of ways you can develop your skills at Kent.

- Sign up for a year in industry, study abroad or work abroad.
- Apply to be a student ambassador and get training while working alongside Kent staff.
- Work part-time, volunteer or become a course representative,
- Join the team that produces the student newspaper, or work for the student TV and radio stations.

SETTLING IN

💡 Top tips

- 1 Get involved and throw yourself into the experience: go to events, join societies, introduce yourself to other students.
- 2 Take a break when you need it; the first few weeks will be full on and you might need some downtime.
- 3 Get to know your new town or city. With lots of independent restaurants and shops, you'll be spoilt for choice!

Hi, I'm Jade.

I'm a third-year History student who is having the best university experience at Kent. There's a lovely campus environment here and that's one of the things that made my choice so easy three years ago.

I wasn't sure what would happen in the first few weeks of university, so I thought first it might be helpful to share what you can expect as a new student at Kent. Everyone's experience is different, but however you spend your time, I have no doubt that you'll feel settled here as quickly as I did!

Your first day

If you've chosen to live on campus, one of the biggest things you'll do on your first day is meet the people you'll be living with. After getting all your things into your room and saying goodbye to weepy family and friends, you can begin to make your room your own, with a few touches from home. Fairy lights, photos of family and friends, books or video games – your room will quickly transform into a space that's uniquely yours.

And once you've finished sprucing up your new place, you're bound to find other students hanging out in the kitchen. Spend some time getting to know each other: find out what your housemates are studying, where they're from and what they enjoy doing. I'd add that pizza is a must for bonding!

If you fancy going out on your first night, Canterbury's on-campus nightclub, The Venue, will put on welcome events. Party with all the other new students or stay in and play some board games with your new mates.

Your first week

You might feel nervous during your first week, which is completely normal, but the beginning of term has a way of working itself out. It's full of excitement and possibilities!

Packed with events put on by the University, you can fill every hour and every day with something different. You could spend your Monday morning crafting with other students on the field overlooking the cathedral. Have lunch at Woody's on Tuesday before strolling over to the petting zoo to see the animals. Explore the Templeman library (it's huge!) or play on an inflatable assault course on the green on Wednesday. Then spend Thursday evening with new friends at K Bar trying to win the weekly quiz before getting ready for Friday's theme night at The Venue – it's freshers' after all.

Head to the Welcome Fair. There will be loads of societies ready to tell you about what they do. Spend the week going to as many taster sessions as you like; you'll find new sports and skills that interest you and they're the perfect place to make new friends.

Your first month

By now, you'll know the best study spots depending on the time and day and the campus shortcuts for when you're running late. You'll know how to navigate the library to find your books and will always remember to bring another bag to carry them in!

You'll know which of your friends are in the library and which of your flatmates are in a seminar. You'll know you have tennis on Tuesdays and debate society on Thursdays, and you'll know what time the bus is and where the closest bus stop is to wherever you are on campus.

You'll know how long it takes to do your reading or preparation work for your seminars and lectures, and where you can fit in an episode of the Netflix series you're watching in between. And you'll know the best pubs and restaurants and your favourite order at each one.

By the first month, you'll know Kent, and you'll really feel that it's your home.

📍 Kentunion

Meet Kent Union

Run by students, for students, Kent Union is the representative voice of all 20,000+ students who study at Kent. Leading, inspiring and empowering the student body this year is Union President Zaid Mahmood.

‘Our main purpose as Kent Union is to provide the best possible student experience and to prepare every single student for life after Kent.’

We’re very active on the Canterbury and Medway campuses, from supporting student groups and networks to running our big social spaces such as the on-campus nightclub, The Venue; Woody’s Bar in Park Wood, great for socials and watching sport; and the Library Café which is a great little pit stop for nine-to-five studysers!

Above all, Kent students are our main priority. We work hard to lobby and campaign for change so that their views are represented at every level.’

Getting involved

‘There’s so much to do on our campuses all year round. We start with Welcome Week and end the year with the Summer Ball. There’s always an amazing line-up of artists; Sigala and Notes headlined in 2022, as well as Nippa who’s a London artist and Kent alum!

We also have 250+ student groups to choose from, or you could try a one-off ‘Give-it-a-Go’ event such as rock climbing or tie dye. They’re great for meeting new people.’

Cost of living support

‘We’re doing all we can to support students with the rising cost of living. To tackle food insecurity, we’ve set up a campus pantry – an accessible food bank – where students can take ten items, no questions asked! We’ve also successfully campaigned for £3 hot meal deals on campus and we’ll soon start a free breakfast club.

As well as having access to our budgeting system, Blackbullion, and increased hardship funding, students can also contact our confidential advice service if they’re in financial difficulty.’

Finding part-time work

‘JobShop liaises with local businesses in Canterbury and Medway to help students who are looking for part-time employment. Students can meet with a JobShop adviser to work through their CV or application too.

Students can also sign up to JobShop’s temp bank and pick and choose from any weekly or monthly work opportunities that are coming up.’

Having your voice heard

‘Kent Union is led by five elected full-time officers that the student body vote in every year. These are the people that lead Kent Union and represent you.

Our democratic structures also allow students to be a voice for their cohorts and communities. They can become an academic student representative or join one of our networks to be a voice for marginalised communities.’

Before the start of the course we will send you details of how to register and a welcome pack. Our Pre-Arrival Advisors will call you after you've received your CAS letter to answer any questions that you may have. The team are an excellent source of useful tips and information, and they will help you plan ahead so you can join your classes on time. The advisors will call you on the mobile number you provided in your application form, please let us know if your number has changed since you applied!

STAGE 10: Welcome to the UK!

We will also ask for details of your flight to the UK. We can arrange for a taxi transfer upon your arrival at a UK airport (additional fees apply).
