

University of Louisville

📍 Louisville, Kentucky, US

A premiere metropolitan research university, ranked among the top 100 public universities.

Step boldly into your future

The University of Louisville (UofL) is a prestigious university located in Louisville, Kentucky. It combines academic excellence, research opportunities and a vibrant city experience. It is home to three campuses and 12 schools and colleges. Through Oxford International, UofL offers undergraduate and master's degrees in over 150 fields, both recognised nationally for their quality and innovation.

With a long-standing history dating back to 1798, it was one of the nation's first city-owned, public universities. The university offers a diverse campus environment and innovative programs to foster inclusive excellence in STEAM, business, public service, healthcare, and education.

What makes UofL unique?

Recognised by the Carnegie Foundation as a **Research 1, Opportunity College and Community Engaged university**.

Guaranteed merit-based scholarships for international undergraduate students.

Affordable study destination with domestic tuition fees applied to all graduate degrees within the JB Speed School of Engineering.

Ranked #121 in Best Value Schools (2025 U.S. News & World Report)

400+ student organisations provide diverse options for all students.

An affordable student city

Study, live and work at the intersection of arts and culture and breathtaking natural beauty. The city boasts an eclectic mix of modern innovation, southern hospitality and distinct originality.

Louisville is famous as the home of Muhammad Ali, the Louisville Slugger and the Kentucky Derby. As a popular and thriving city, Louisville is also well-known for its vibrant arts, rich history, bustling food scene, beautiful parks and world-class attractions.

Situated on the banks of the Ohio River, Louisville is Kentucky's largest city. Offering an abundance of internships and career opportunities, combined with a lower cost of living, makes Louisville a very attractive place to live and study.

Fun fact, UofL's Belknap Campus is part of the Kentucky Garden Trail's top 12 gardens and arboreta.

Beyond the classroom

UofL is a vital ecosystem that creates thriving futures for students, the community and society. Student experience at UofL is shaped by a holistic approach to student development, encompassing academic support, a vibrant extracurricular scene and access to a wide array of campus resources. Fostering a strong sense of belonging, UofL creates an environment where students flourish and feel connected.

Home to the Louisville Cardinals, sport plays a strong role in campus life and has a dedicated fan following. UofL offers a wide range of athletics and sports, including 21 intercollegiate varsity sports and numerous other activities. UofL also hosts professional and minor league teams like the Louisville Bats baseball team and LouCity soccer team.
